

Adelaide Triathlon Club: Child Safe Register - 2015

Steps

- 1 Identify mandatory training requirements for each position, then based on the risk, the frequency of that training
- 2 List the names of all your personnel
- 3 Shade the boxes where specific training needs have been identified for that particular member. Where training is not applicable, shade in grey
- 4 Record the date when training has been completed. ie. A coloured box means training is yet to be completed

Essential on commencement

Training encouraged

Desirable

Not applicable

Based on specific hazards in the area; as per Hazard Register, or as determined by the School/Branch head
